La Ciudad Anuncia la Extensión del Acceso a WIFI Gratuito en Parques y Escuelas

Por: Ashmar Mandou

La Ciudad de Chicago anunció recientemente la extensión del programa Chicago Connected de las Escuelas Públicas de Chicago (CPS) y la Banda Ancha y Equidad Digital en toda la ciudad del Distrito de Parques de Chicago.

"Estamos agradecidos por el generoso apoyo del Alcalde Johnson y nuestros muchos afiliados que están permitiendo que nuestro Distrito continúe brindando este recurso indispensable para la familias actualmente inscritas en Chicago Connected, así como nuestros estudiantes en situaciones de vivienda temporal", dijo el CEO de CPS Pedro Martínez. "Esto es lo que parece romper las barreras a la educación para quienes más lo necesitan. Él servicio de Internet apoya el aprendizaje y la conexión de los padres con la facultad y líderes de nuestra escuela, pavimentando el camino para que nuestros estudiantes y sus familias triunfen". Ambos programas están enfocados en extender el acceso

gratis al Internet a las comunidades desinvertidas, sirviendo a más de 40,000 estudiantes de CPS y a 60 parques en los sectores sur y oeste de la ciudad.

En un esfuerzo por ampliar los servicios de Wi-

Fi, el Distrito de Parques de Chicago lanzó la iniciativa de la Banda Ancha y la Equidad Digital en toda la ciudad para implementar Wi-Fi público en 60 parques en los vecindarios de los sectores sur y oeste. El nuevo sistema pone el acceso a la banda ancha disponible a todos los

Viene de la página 1

asistentes al parque y extiende el servicio más allá del perímetro del parque a la comunidad inmediata, con señales de antena que alcanzan 100-200 yardas, de acuerdo a CPS.

El Distrito de Parques está actualmente en la primera fase de la instalación habiendo completado mejoras en la banda ancha en el interior de 27 de las 60 casetas de los parques. Comenzando en el otoño de este año, el Distrito ejecutará la segunda fase del proyecto, enfocado en áreas interiores de los parques. La tercera y última fase, programada para comenzar en el invierno del 2025,

refrescará la conectividad del Wi-Fi existente en 100 parques adicionales. Las ubicaciones de los parques fueron seleccionadas en base a numerosos factores, incluyendo la priorización de parques en las comunidades de los sectores sur y oeste, con acceso limitado a la banda ancha y lugares con casetas

más grandes. Unos cuantos de los parques incluyen a Humboldt Park, Austin Town Hall, Douglas Park, Garfied y Ogden Park. Para la lista completa, visite www.chicago.gov.

La extensión de un

año de Chicago Connected aplicará a todas las familias que ya se han inscrito en el programa. Estas familias tendrán automáticamente acceso a internet gratuito hasta el 30 de junio del 2025. Además, los

estudiantes en situaciones de vivienda temporal (STLS), incluyendo las nuevas familias que llegan, pueden hacer su solicitud para inscripción en Chicago Connected a través de sus escuelas.

Illinois State Police Celebrates Youth Camp Success Stories

MacKenzie McGee

The Illinois State Police (ISP) is preparing for the 2024 Team Illinois Youth Police Camp (TIYPC) summer camp series across the state. The TIYPCs are highly structured weeklong residency camps held in Elsah, Romeoville, and Carbondale each year. The camps are based upon a military model and are geared for teenagers between the ages of 13 and 17. Attendees, or Cadets, learn military drills and participate in physical fitness exercises. Cadets also attend classroom instruction on leadership development, substance abuse resistance, team building principles, and other life enhancing

skills. TIYPCs promote positive rapport and interactions between law enforcement and the attendees. Graduates of the youth camps have experienced great success, and many have credited their camp experiences as pivotal points in reaching their future goals. The first TIYPC originated in 2006 in the Metro East and was held in Granite City. In 2009, the location of the camp was moved to Alton, and then in 2013 it was moved to its current location, Principia College in Elsah. Since its inception, 879 cadets have graduated from the Metro East TIYPC. The 2024 Metro East TIYPC

will start in July and applications for the camp are being accepted through June 14. If you know a teen who would benefit from attending the Metro East

TIYPC, contact Ms. Sandra Voytas at Sandra. Voytas@illinois.gov.

Nearly 200 Teachers Join CPS After Completing Rigorous Teacher Residency Program

Chicago Public Schools (CPS) CEO Pedro Martinez, Chicago Teachers Union President Stacy Davis Gates and community members Monday night honored 193 new resident teachers who will lead classrooms next fall through an innovative CPS program that helps current employees or career changers, earn the educational degrees, credentials, and on-thejob experience needed to become CPS teachers. The 2024 inductees represent the program's largest cohort to date. The CPS Teacher Residency, launched in 2017, is a full-time, paid, teacher training program that offers a pathway to teaching for professionals who wish to pursue a new career in education as

Continued on page 5

Casi 200 Maestros se Unen a CPS Después de Completar un Riguroso Programa de Residencia Docente

El CEO de las Escuelas Públicas de Chicago (CPS) Pedro Martínez, el residente del Sindicato de Maestros de Chicago, Stacy Davis Gates y miembros de la comunidad, honraron el lunes por la noche a 193 nuevos maestros residentes que conducirán los salones de clase el próximo otoño, a través de un innovador programa de CPS que ayuda a los actuales empleados o a quienes cambian de carrera, a obtener diplomas educativos, credenciales y

experiencia en el trabajo necesarias para convertirse en maestros de CPS. Los incorporados al 2024 representan el grupo más grande del programa hasta la fecha. La Residencia de Maestros de CPS, lanzada en 2017, es un programa de capacitación docente, remunerado, a tiempo completo, que ofrece un camino hacia la enseñanza para profesionales que desean seguir una nueva carrera en educación, así como para-profesionales que trabajan en funciones

de apovo en el aula v desean convertirse en maestros de tiempo completo dirigiendo un salón de clases. Este año, 52 residentes son afroamericanos y 67 residentes son latinos. Este programa está enfocado en reclutar y entrenar a candidatos que pueden llenar posiciones de enseñanza de alta necesidad, con 67 por ciento de los resientes de este año, elegibles para enseñar educación especial, 27 por ciento elegibles para enseñar educación de la primera infancia y 25 por ciento elegibles para enseñar educación bilingüe. El Distrito anticipa que el programa de Residencia de Maestros crecerá a más de 200 candidatos el año próximo.

Cómo Funciona el Programa de Residencia

- •Los residentes comienzan el curso de educación superior en el verano antes de su primer año en el salón de clase.
- •Los residentes son emparejados en el salón con maestros tutores, durante su primer año, para experiencia práctica y entrenamiento. Como empleados de CPS, pueden ganar salarios y beneficios de salud durante esta residencia.
- •Después de demostrar efectividad durante

su entrenamiento, los residentes reciben apoyo para encontrar una posición de tiempo completo en su segundo año, durante el cual conducen sus propios salones de clases con un considerable aumento de salario.

•Tras la terminación del programa y su compromiso de trabajar en CPS por lo menos dos años adicionales, los residentes son contratados como maestros de tiempo completo en CPS y reciben otro aumento de salario.

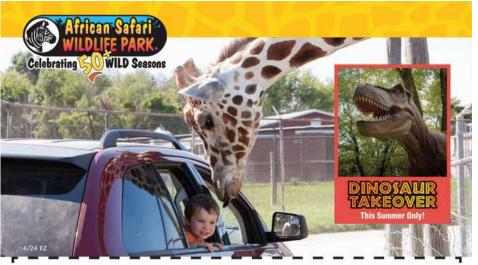

Nearly 200 Teachers Join CPS...

Viene de la página 4

well as paraprofessionals who work in classroom support roles and want to become full-time teachers leading a classroom. This year, 52 residents are Black and 67 residents are Latinx. This program focuses on recruiting and training candidates who can fill high-need teaching positions, with 67 percent of this year's residents eligible to teach special education, 27 percent eligible to teach early childhood education and 25 percent eligible to teach bilingual education. The District anticipates the Teacher Residency program will grow to more than 200 candidates next year.

How the Residency Program Works

- •Residents begin the higher education coursework in the summer before their first year in the classroom.
 •The residents are paired in the classroom with mentor teachers during their first year, for hands-on experience and training. As CPS employees, they earn salaries and health benefits during this residency.
- •After demonstrating effectiveness during their training, residents receive support in finding a full-time position for their second year, during which they lead their own classrooms, at a significant increase in pay.
- •Following program completion and a commitment to work at CPS for at least two additional years, residents are hired as full-time CPS teachers and receive another pay increase.

IDOL Recuerda Empleadores y Familias con Trabajadores Adolescentes los Derechos y Protecciones del Trabajo Infantil

Ahora que las escuelas están cerradas. adolescentes muchos se están cambiando del salón de clase a la fuerza laboral del verano y el Departamento de Trabajo de Illinois (IDOL) desea asegurarse que empleadores y familias están conscientes de los pasos que deben tomar antes de que un niño comience a trabajar y mientras está trabajando. IDOL regula el empleo de trabajadores menores de 16 años. La ley protege a los niños:

•pidiendo un certificado de empleo que confirme que el menor es suficientemente grande para trabajar, físicamente capaz de ejecutar el trabajo y que

el trabajo no interfiere con la educación del menor (durante los meses de escuela);

ocupaciones peligrosas; •prohibir el trabajo en un lugar donde se sirva alcohol o se venda para

•prohibir el trabajo en

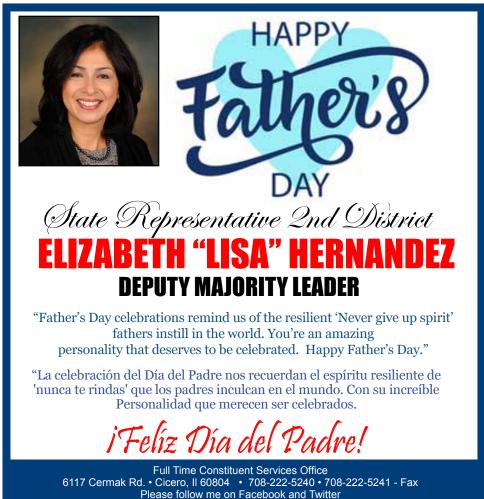

el consumo y en lugares donde se destila el alcohol, se destila y/o se embotella;

·limitar las horas de trabajo; los niños que trabajan tienen prohibido trabajar antes de las 7 a.m. y después de las 7 p.m. durante el año escolar, trabajar hasta las 9 p.m. está permitido del 1º de junio al Día del Trabajo (Labor Day).

Adicionalmente, la ley de Illinois provee que los

niños que trabajan deben ganar un mínimo de \$12 la hora y deben tener 30 minutos de descanso para comer cada cinco horas trabajadas. La ley federal regula también el empleo de menores de 16 a 18 horas. Más información sobre el empleo de los jóvenes bajo la ley federal, disponible en: https://www. dol.gov/agencies/whd/factsheets/43-child-labor-nonagriculture

Propuesta de plan para pagar \$8,000 millones a usuarias enfermas de talco Sus derechos podrían verse afectados por una propuesta de quiebra si actualmente tiene cáncer ginecológico o de ovario o lo contrae en el futuro.

Vote para aceptar o rechazar el plan antes de las 4:00 p. m. (hora del centro) del 26 de julio de 2024

Johnson & Johnson y una subsidiaria (conjuntamente denominadas las "empresas") han comprometido pagar aproximademente \$8,000 millones a lo largo de 25 años a personas que afirman que los productos de talco en polvo les causaron enfermedades. Si cree que usted se enfermó por usar productos de J&J que contienen talco, como Johnson's Baby Powder y Shower to Shower, es posible que tenga la oportunidad de votar sobre un plan asociado con el procedimiento de quiebra que gobierna cómo se pagarán los reclamos.

Las empresas afirman que sus productos son seguros, no contienen asbesto y no causan cáncer ni otras enfermedades. Tenga en cuenta que J&J discontinuó el producto a base de talco Johnson's Baby Powder en mayo de 2020 y vendió Shower to Shower en 2012 a otra empresa.

¿En qué consiste el plan?

Segun el plan, se creará un fideicomiso multimillonario para pagar los reclamos actuales y futuros relacionados con el talco. Si el plan se aprueba, usted no podrá presentar una demanda contra las compañías o otras partes por ningún reclamo relacionado con el talco. Los reclamos por mesotelioma o cáncer de pulmón y los reclamos en Canadá no forman parte del plan.

El plan permite que las demandantes por cáncer de ovarios reciban una compensación sin ir a juicio. J&J ha ganado aproximadamente el 95 % de los casos de cáncer de ovarios que se han juzgado hasta la fecha, incluidos todos los casos de cáncer de ovarios que se han juzgado en los últimos seis años. Además, en función de la tasa histórica, si el plan no fuera aprobado, tomaría décadas litigar los casos restantes. Por lo tanto, la mayoría de las demandantes nunca tendrían "su día en el tribunal".

¿Cómo puedo votar sobre el plan?

Debe emitir su voto para aceptar o rechazar el plan antes de las **4:00 p. m. (hora del centro) del 26 de julio de 2024**. La información sobre cómo votar se proporciona en un paquete de solicitud, que incluye detalles sobre la propuesta de quiebra, el plan y una papeleta de votación.

Ya presentó un reclamo por talco: usted o su abogado recibirán un paquete de solicitud.

<u>No ha presentado un reclamo por talco</u>: visite www.OfficialTalcClaims.com o llame al 1-888-431-4056 para solicitar un paquete de solicitud para determinar si puede votar sobre el plan.

¿Cuándo decidirá el tribunal sobre el plan?

Si el plan es aceptado por al menos el 75 % de los votantes, se puede declarar la quiebra bajo el nombre del caso In re: Red River Talc LLC. Esto tendrá lugar en un tribunal de quiebras en Texas. Se programará una audiencia para confirmar el plan y se emitirán más notificaciones si el tribunal establece un plazo para las objeciones.
